The constitutional revisions in and were part of the announced political reforms enacted by the monarchy. The president of the delegation, Mr Ioannis Kasoulides, contested these allegations saying the composition of the group was not for Morocco to decide, and besides Morocco had already earlier accepted the composition of the group and had furthermore been allowed to influence its visiting program.

A practical problem that limits the importance of the reform concerning repudiation is that the courts are terribly overcrowded, and even the most competent magistrates must make very quick decisions. Theoretically, Article of the revised Code of Contracts and Obligations gives them this right, but in practice, and in terms of the Mudawwana, the husband retains the right to demand obedience from his wife.
