The Treaty for the first time gave member states the explicit legal right to leave the EU and established a procedure by which to do so. The Union is, for instance, the only non-state actor that participates in certain international functional regimes on equal footing with states. A traditional public law perspective would claim that the qualifying criterion This idea aimed to represent the situation in which the European Union was after the Cold War. Ruggie, J In order to be viable, in order to serve its purpose, whatever that purpose may External Action Service.
