I was expecting this to be similar to Jewelan Oprah's Just Like Other Daughters Club pick from the late s that traced the challenges of a s family when their last child is born with Down's Syndrome. But the adjustment is far from smooth, and Alicia and Chloe both will face heartrending challenges... When I was given a copy of the book to review last week, I flew through it. The story seemed to almost stall at times and didn't grab my attention and make me want to keep reading but thank goodness that Alicia did.

She offers choices, but sadly they are choices between French fries or mozzarella. About the Author Praise Discussion Questions. This story is all about love – the joy of finding it, the pain of losing it and the realization that it is all around us, sometimes in the most unexpected of places.

Alicia is a fifty-year-old woman who has spent the last twenty-five years of her life. JavaScript in your browser will allow you to experience all the features of our site. All in all, it was enjoyable, but I just wish it delved a little deeper.
