As I read I kept thinking back to myself at that age; there was no way I was as sorted in the head as Jami was! Trying out to become an Ice Girl may just might be the thing that does that, but it also puts her right in the Breakaway (The Dartmouth Cobras Book 3) Once again Bianca has given us a great story with two great men and the lady they love!! Cort returns, prepared to keep his head down, and do whatever it takes to keep Ford breathing, but when he finds a beautiful young woman out in the snow, frozen in fear, his plans change. SebastianisalsoattractedtoLukebutLukeisfightinghisbi-sexualitywhi not too dark or outrageous as a whole, and maybe if there weren't so many other side plots it might feel more I loved Sebastian from the beginning and Luke was close second to win

my heart.
