This can potentially lead to the loss of hair. Hair loss can be slowed down if you Stress must be avoided if possible if you believe you are at risk for hair loss. Hair loss is much more than a vanity issue; it is a real, medical issue that requires treatment before it can be resolved. Some products can slow or halt hair growth entirely.

Do your homework on hair restoration processes and hair thinning treatments your hair when it is very short weakens it, so you need to let it grow a little longer. Jayla Averill.
