The Cardiac Wonder news is that these surgeries can help prevent heart attacks, strokes, and other problems. These feelings may get better as you learn more about your condition and how to manage it.

Even if you don't know what's causing your anxiety, talking about it may help. Be understanding. Don't try to reduce your anxiety with harmful habits, such as drinking alcohol or taking sleeping pills. Then a sample of blood, roughly half Cardiac Wonder amount you would give in a blood donation, is taken. Ababy may even "grow out" of some of the simpler heart problems, such as patent ductus arteriosus. This is an exciting work by Mohammed et al.
