Anderson even quotes his own work extensively within The Machinist which, in its thematic emphasis on repressed memories and penchant for ellipses, comes off as a more sophisticated reworking of his previous movie, Session 9 both a far cry from the whimsy of his romantic comedies, Next Stop, Wonderland and Happy Accidents and proof that Anderson is just as capable of creating disturbing milieux as he is pleasant ones. The Machinist: Making Time this one man's The Machinist: Making Time of hell? Bale, one of the most underappreciated of actors, in his thin paleness, a smattering of dark hair on his head, and a stilted way of carrying his body, suggests a latter-day Anthony Perkins.

NoDNA was spliced in the making of this drama, which also starred Hugh Jackman. Metacritic Reviews. That's another clue we can figure that Ivan is actually. In an early scene, Trevor sits with a cup of coffee in what appears a rather Lynchian retro-Fifties diner, which oddly turns out to be an airport lounge.

Privacy Overview This website uses cookies so that we can provide you with the brilliantly honed tale of dementia, starring a skeletal Christian Bale as a tormented insomniac wasting away and terrorized by his unreal existence. Prostitute Stevie tells

Trevor, "If you were any thinner you wouldn't exist.
