For instance, no one disputes that embroidery antedates lace, and yet we have authors who endeavor to show that embroidery had its origin in Arabia, deducing from this that lace, also, must have had its birth in one of the Oriental countries. It is a coarse guipure lace, made of unbleached thread. It is also the first of the 65 auspicious symbols on the footprint of the Buddha. I remember making these all the time when I was a kid. Next came the mathematical part!! In the seventeenth and eighteenth centuries the braid and tape laces included the large majority of coarse pillow laces made in Flanders, Spain and Italy. *Beginners Sewing - 2 Night* : Gary Mills. *With the right choice.
