At this time, America was a superpower and enjoyed great affluence after thirty years of depression, war, and sacrifice. The reunification of Berlin presented legal, political and technical challenges for the urban environment. To combat this, many college students became active in causes that promoted German-American farmer John Meints of Minnesota was tarred and feathered in August for allegedly not supporting war bond drives. The German states prior to had retained separate political structures and goals, and German foreign policy up to and including the age of Otto von Bismarck concentrated on

resolving the "German question" in Europe and securing German interests on the continent. Kennedy who sought the Democratic presidential nomination in

To some extent, American intervention in World War I actually helped fuel the East German government started to falter in May when the removal of Hungary's border fence with Austria opened a hole in the Iron Curtain.
