An amazing book from an amazing cook. Rachel Khoo was determined to get to grips with French cooking, so to learn more she moved to Paris, not speaking a word of French, and enrolled at Le Cordon Bleu, the world-famous cookery school. From a Croque Madame muffin and the classic Boeuf bourguignon, to a deliciously fragrant Provencal lavender and lemon roast chicken, Rachel celebrates the culinary landscape of France as it is today and shows how simple these dishes are.
