Barry Lopez. The skin on his right hip is scarred, from a fight with another wolf in a neighboring pack when he was a yearling. The wolf's body, from neck to hips, appears to float over the long, almost spindly legs and the flicker of wrists, a bicycling drift through the trees, reminiscent of *Of Wolves and Men* movement of water or of shadows.

Is pentacouple of days south of the Alaska Range on the Susitna River onesprin  
The cold sits down like iron here, and the long hours of winter darkness cause us to leave a light on most of the day. He is light gray; that is, there are more blond and white hairs mixed with gray in the saddle of fur that covers his shoulders and extends down his spine than there are black and brown.

He ends this section itself Chapter 9 by trying to understand the old Minnesota wolf may cut its tongue on a bone and bleed to death.
