Tactics There are many different tactics and rigs for catching sea fish from the shore, but it is best to keep it simple. Daiwa have spent so long tweaking and perfecting every part of this reel, it's no wonder. The current checklist covers all marine fishes recorded within the waters surrounding Bute and Inchmarnock.

Fishcompriseadiversegroupofsome32,speciesoflimblessvertebratesand However much may be written, practical or otherwise, it is well to remember that a wealth of knowledge and experience is held by sea anglers who do not write, and if they are prepared to talk it is advisable to listen, for so much of the success of sea angling depends on local knowledge of marks, tides and baits that none can afford to neglect. The colour of the upper half is of a dusky yellow, like the dark side of old parchment or vellum; the lower part is of a brightish blue. Habitat and habits: Shelf, feeding on fish and favouring waters less than 50m deep, moving offshore in winter.
