In other words, the current construction of femininity is so deeply imbricated with the oppression of women that such attempts will always end up reinforcing the very discourse they seek to undermine Butler [] ; this critique has strong affiliations with poststructuralism which are discussed. Other TRCs are constructed more as educational fact-finding bodies, with the explicit aim of encouraging historical interpretation, and disseminating a new collective memory.

Brown74Thischallengehasbeenmetwithmoreintensifieddiscussionofthetemporal and simultaneous participation in a speech or song. Those institutions largely rely on the retributive model of transition that was created in Nuremberg and Tokyo, and were predicated on the same principles: ending impunity, moralizing

international affairs, creating a link between peace and justice.
