You need to login in order to like this post: [click here](#) This is my fave find this week! Reviewer: Jordan Summary: Maia's intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Queer Blog Posts are allowed to have all the feelings.

I still find beautiful women beautiful. But I think coming out is about more than that. But you would be proving my point – because the very fact that you can choose which aspects of observable science to rely on proves that science itself is influenced by culture.
