The combined presentation of public policies with outcome now and in the future is thereby proposed to reduce the potentially harmful effects of focusing on the present rather than discounting for the future. Martini, Il dialogo con i non credenti. In the light of irreversible environmental decline, the time is ripe to reflect on intergenerational justice to avert environmental decline in a cost-effective way.

In many parts of the Western world, it has become almost impossible to get a job. The past explains the present: Emotional adaptations and the structure of ancestral environments. Especially the status quo bias being theoretically isolated from motivational and social factors raised questions about social references, future aspirations and recent gains and losses Chernev, ; Levy, ; McDermott, et al. African tribes will have to leave villages as the impact of drought in central African regions, where seasons have been scarce since 6 years.

all, in some cultures persons do not readily share their ideas
and hopes with strangers, They listen for the one who humbly
and truly offers self as a witness to the Word of God in the
flesh and blood of him who declares and demonstrates it in
action.
