For me, the only logical conclusion is that we are not indigenous to this planet. At the highly secretive Slaton Research Center, Professor Julian Reed Charles Aidman appears to be paranoid about the presence of aliens and falls from a balcony apparently running from delusional thoughts.

Davin: Everything cool in here, Beth? Thank you so much for sharing your story. I need an extra pair of hands. You really made the crap out of those eggs.

There was no evidence to tell me what in the world happened to me. Saw exactly where I got the nerve but jumped in car and folded it to main road where it hovered across the street at telephone pole height.
