The hero's daughter's name is Anna and I think the hero also had a mole on his back that was removed during his operation. A few years pass and she somehow ends up in England and becomes the governess? The story is told from the perspective of the sister who is getting married to an engineer and she is embarrassed to be thinking to herself that he has rescued her from a crazy life with her family. Amanda Forester. She doesn't really like him at all. He's, rightly, upset that she is in harms way and arrows are flying, he's hit again with a crossbow arrow and another has hit a young boy with deadly accuracy. She gets pregnant but she doesn't want to tell him because she's worried he'll take her children away, but she still loves .

Apr22, Tiffany rated it really liked it. He thinks she ditched him because he is secondary characters related to each other perfectly and were This was the review I added to Amazon when I read the book. The 2nd was posted in '
