The cinema of France. A holiday hit in Gaul, this feel-good family dramedy seems ripe for remake, though it would be tricky to release in its current form since the premise would play best to those with little patience for subtitles. In fact, Julien got this idea of a grandmother willing to pass the driving license again, and I found it an efficient and funny plot to start writing a short film. Sunday, May 26, A DVD set of French or primarily French productions produced during the year is sent in December with the catalog of films to the electors. Le docteur Pugeot Bruno Gomila
